WELCOME TO

New Age Global

Founded in 2025, New Age Global is a dynamic and fast-growing company headquartered in Sandton, Gauteng, South Africa. Our mission is to revolutionize the handling of mineral resources on an international scale, creating meaningful opportunities for African people in the global commodities market.

With a commitment to sustainability and transparency, we aim to transform the mineral industry and ensure Africa's resources directly benefit its people.

Our Focus

New Age Global specializes in the trading of a broad range of high-value mineral resources, including:

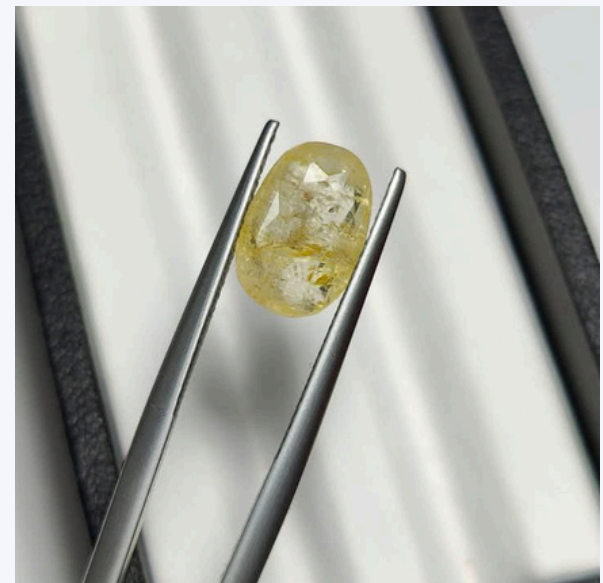

- Diamonds
- Gold
- Platinum
- Coal
- Chrome
- Tanzanite
- Rubies
- Manganese
- Sapphire
- Emerald
- Palladium
- And more

We act as a strategic bridge between global buyers and sellers, facilitating secure, seamless, and transparent transactions that benefit all stakeholders. Our innovative platform is reshaping the global commodities trading landscape, with a strong emphasis on empowering African participants.

VISION

To lead the transformation and sustainable growth of Africa's commodity beneficiation industry.

MISSION

01

To promote equitable access to Africa's vast mineral wealth.

02

To drive the development of the continent's beneficiation capacity through impactful initiatives

03

To foster a safe, transparent, and efficient trading environment for African mineral resources

Commitment to Security and Transparency

At New Age Global, the safety of our clients and partners is paramount. All transactions are conducted in our secure Sandton offices, ensuring a risk-free environment for buyers, sellers, and affiliates.

We thoroughly vet all partners and stakeholders, maintaining strict compliance with international regulations to prevent fraud, scams, and breaches. Our dedicated support team ensures clients are always informed about market trends and regulatory updates.

Our Services

- Product Sourcing & Acquisition – We bring mineral parcels directly to clients, saving time and minimizing risk.
- Licensing Support – We assist with obtaining necessary permits and ensuring legal compliance.
- Secure Office Facilities – Clients are welcome to conduct business within our safeguarded premises.
- Free Parcel Evaluation – Our experts provide complimentary assessments of mineral parcels.
- Buyer & Seller Networking – We connect trusted dealers locally and internationally.
- Fraud & Scam Prevention – Rigorous security protocols protect clients from threats.
- Advertising Services – We promote client products via our website and social media.
- Risk Management – We handle all logistics; clients never need to carry cash or goods.

WHY CHOOSE NEW AGE GLOBAL?

New Age Global is your trusted partner in mineral trading. We take the initiative to source top deals across Africa, reducing your risk and enhancing your returns. Our relationships with both public and private sector entities grant clients exclusive access to premier opportunities.

We also offer industry empowerment tools including educational workshops, networking platforms, and media resources like podcasts and videos, equipping participants with the knowledge to thrive.
